SHELBY HIGH SCHOOL

ALMA MATER

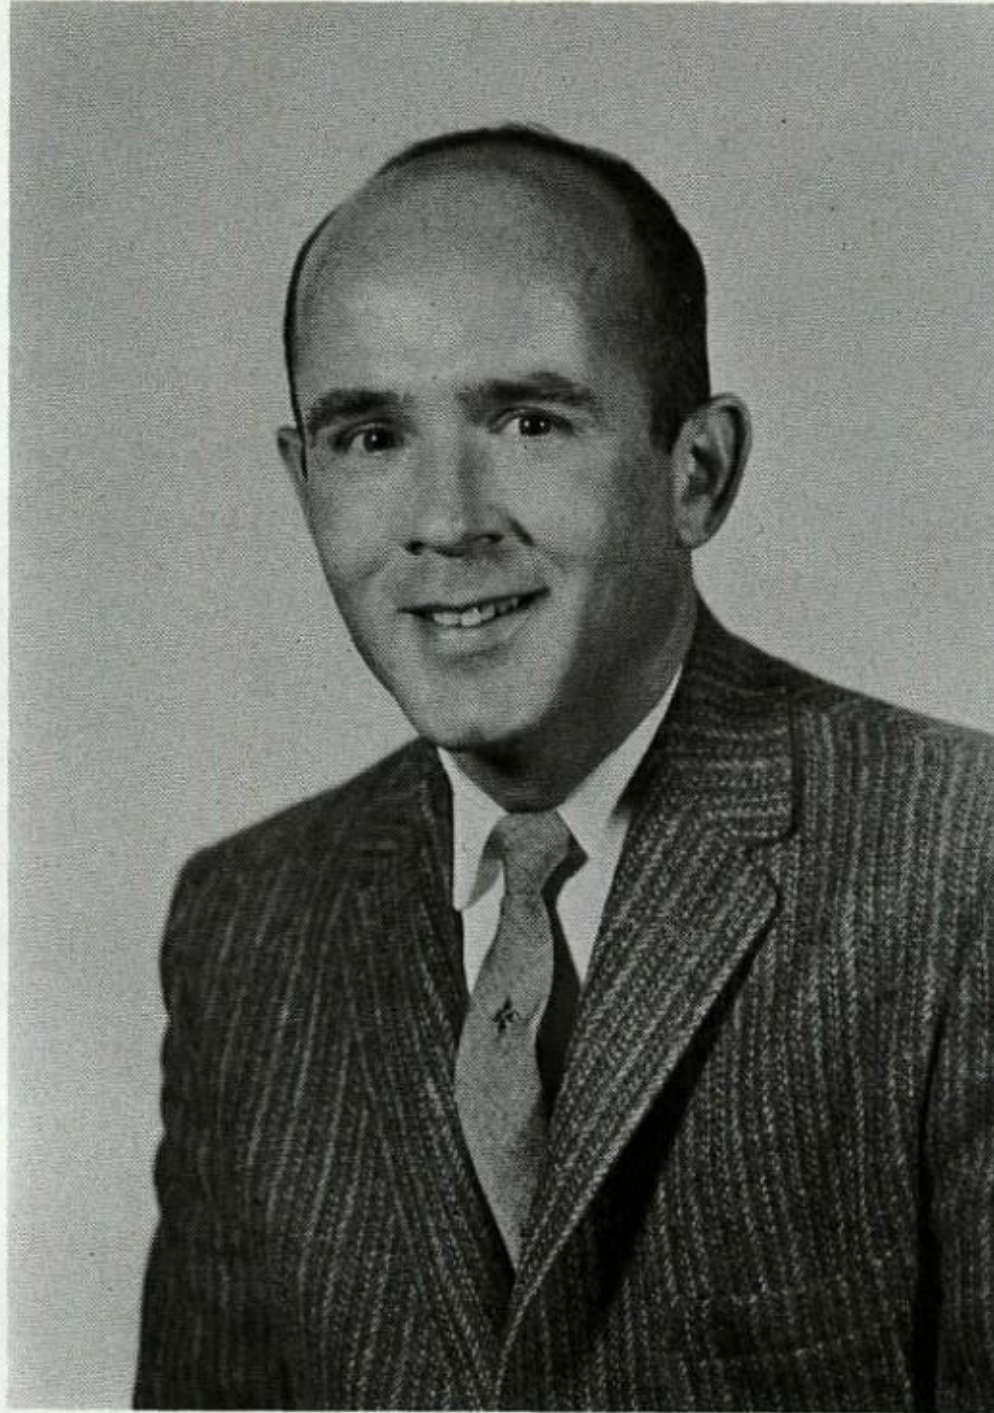

DR. E. D. DOWDS

In memory of Dr. E. D. Dowds who passed away on January 9, 1962, just nine days after he started his tenth consecutive term as a member of the Shelby City Board of Education. He had completed thirty-six years as a member.

Dr. Dowds will always be remembered for his sincere interest in the young people of Shelby and his desire to make the Shelby Schools the best in the state.

DEDICATION

MR. WAYNE F. POTTS

We, the members of the yearbook staff, take great pride in dedicating the 1962 edition of the Scarlet "S" to a person well-known and well-liked by the student body, especially the seniors.

For the past 11 years, you have spent invaluable time and effort in helping to make our school atmosphere more pleasant.

You have contributed much to our school spirit by supporting Shelby High School's sports events. And in time of need you have supplied us with "extra go-power" to help push our teams to victories. On account of your travels in the South, you have learned much, thus enabling your students to take full advantage of this knowledge. Our language facilities have been greatly expanded due to your leadership and willingness to further our educational interests. When our fourth year of high school comes to an end, you assist us in stepping into the future. Our class party, name cards, graduation ceremonies, and other senior routines are carried out faithfully by you.

All of the members of the Class of 1962 include you in their memories of high school days. We wish to pay tribute to you, Mr. Wayne Potts.

THE FACULTY

SUPERINTENDENT

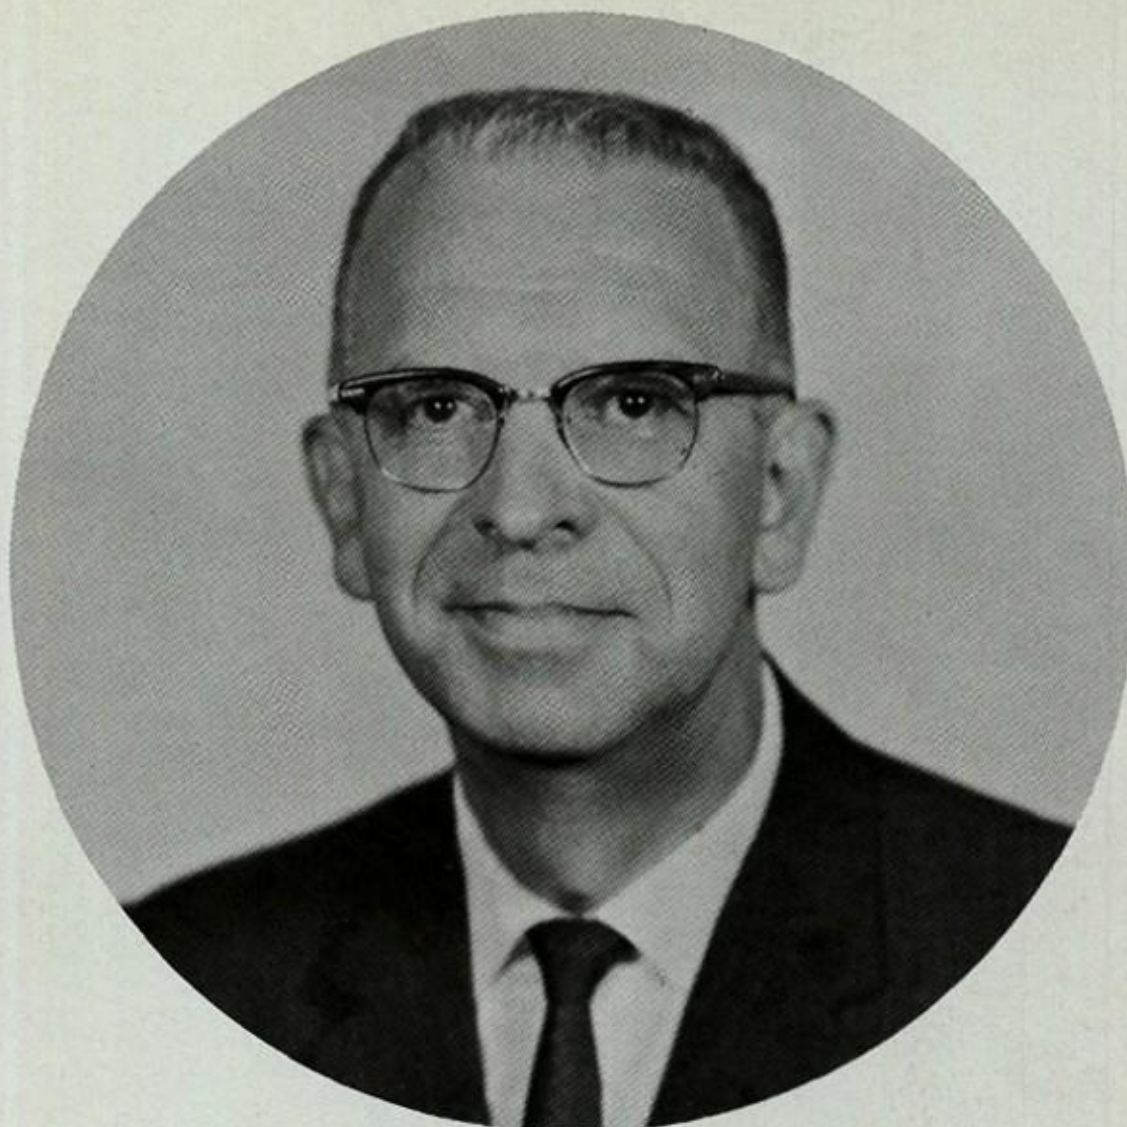

MR. BYRON H. CARMEAN, A. B., M. A.

Providing the courses, the faculty to present these courses, and the facilities for all the students in Shelby High School are the major tasks for a superintendent of schools in Ohio. Mr. Byron H. Carmean has served in this capacity for the past seventeen years. He has provided the best facilities under the circumstances with the enrollment in the upper four grades as large as it is. Superintendent Carmean is never too busy to take time to counsel with pupils and teachers alike.

Secretary to the Superintendent
and the Shelby Board of Education.

MRS. VERA KUHN

fice.

MR. J. E. MCCOLLOUGH
B. S. in Ed., M.A.

PRINCIPAL

Preparing the course of study, setting up a daily time schedule, and operating a secondary school for all pupils in the school district who are of high school age are some of the major duties of the principal of a secondary school in this state. Mr. J. E. McCollough is completing his seventeenth year as principal of Shelby High School. During that time over two thousand young people have received their diplomas for successfully completing the high school course of study. Many of these have advanced to positions of responsibility in the business and professional world, many have continued their education in institutions of higher learning, and many have become active citizens in this community as well as others. Mr. McCollough has used his position to counsel with these young people while they were students in Shelby High School.

He is ever alert to the changing conditions and necessary changes have been made from time to time in the school curriculum.

Shelby won two NOL contests.

In the tournament play at Marion, Ohio, Shelby met Mansfield St. Peter's. The score was: Shelby 35 and St. Peter's 64.

Although this was not a good season for the basketball team, they played with a will to win in every game. Only two members of the squad are seniors, and the team should come back next year and really make a determined effort to take the NOL championship.

Hitting for birdies and bogies—Golf provides the opportunity for Shelby High athletes to achieve these goals. With the first signs of spring the golf team swings into action and to the fairways and greens of the Shelby Country Club to prepare for a busy golf season.

The Golf Team for the spring of 1960 swung into action in March of 1960 and played eighteen games before the district matches held at Findlay, Ohio, in May. They won twelve games, tied two, and lost four in school competition. They finished third in the district meet.

Immediately after try-outs in March, the six girls chosen by the student body to be the Varsity cheerleading squad for the next school year begin practice. During football season they are responsible not only for practice sessions and pep rallies, but also for arousing school spirit at away games as well as at home games.

Pep Club

This year the Pep Club consists of 112 members and 14 alternates ranging in grades from freshmen to seniors.

Their job is to keep the school spirit high and to inspire the team to win.

Each year the girls look forward to appearing at

the Marion basketball tournament. Here, after three long, hard months of practice, they get to show-off their motions to the chants and cheers of the cheerleaders.

The seating of the girls forms a red "S" on a gray background.

The 1962 Senior Class set a record by sending six girls to Girls' State and four boys to Boys' State. Both boys and girls are sent as delegates from Shelby in order to acquire through experience a better understanding of how our government functions.

Held at Capital University in Columbus, Girls' State was held from June 17-25. As the entire week was patterned as closely as possible after our state government, each girl was a member of a specific political party and filled a particular position in the government of Girls' State. Attending were: Connie Troxell, a member of the Cary City Council; Connie Brown, delegate to House of Representa-

tives; Trudy Cox, auditor of Sullivant City; Carol Culbertson, private investigator from McKinley; Marilyn Hartman, secretary to Attorney General; and Peggy Perry, councilman from Catherwood.

Paralleling Girls' State was Boys' State held at Ohio University, Athens, Ohio, from June 8-18. Dwight Hawk was a member of Stone City Services, Inc.; Jim Longacre was an attorney-at-large; Gerald Winely was a member of the Highway Patrol; and Rick Wright was auditor of Ingersoll City.

Both the girls and the boys agreed the friendships they made and the experience they gained were inestimable.
